

# Perfect professional printing

Print your images with confidence with these exceptional printing service and home printing supplies companies

## 01 My-Picture.co.uk

Premium products at great prices

[www.My-Picture.co.uk](http://www.My-Picture.co.uk)

**mypicture.co.uk**

**TRUSTED** and loved by thousands of customers, My-Picture.co.uk is one of the most popular photo printing services in the UK. Delivering quality at prices that won't break the bank, they specialize in manufacturing highly accurate photo prints in the form of personalized photo wall decor, home & lifestyle accessories and photo gifts. With a customer-centred philosophy as one of their trademarks, the service has years of experience in printing environmentally-friendly.

## 02 Bob Books

Established UK-based platform for creating, printing and publishing photo books

[www.bobbooks.co.uk](http://www.bobbooks.co.uk)

**BOB BOOKS** offers you the ability to make customised, beautifully crafted photo books using simple technology. Choose from the range of photographic paper books with lay-flat binding and silver halide printing, providing brilliant colour and super sharp image quality with matte, lustre or gloss finish. Or select from the digitally printed books with perfect binding in classic, gloss-coated or matte papers.

## 03 PermaJet

Photo paper, fine art and canvas inkjet specialists

[www.permajet.com](http://www.permajet.com)

**PermaJet**  
PROFESSIONAL INKJET MEDIA

**PRINTING** at home has never been easier with PermaJet's wide selection of award-winning inkjet paper. Surfaces range from gloss right through to the more creative metallic or textured fine art options that they offer. And it doesn't stop there – PermaJet also offers free custom ICC Profiles for colour correct prints, and training workshops for anyone looking to print with confidence.
