# BOOST YOUR SUPERPOWER!

## Join our crew of reading heroes

This summer holiday, we're challenging you to read at least one book, review it in three words and rate it out of three stars for a chance to enter our prize draw.

To track your progress, every time you finish a book, write its title and the author's name on the spine of one of the books below. If you read more than five books you can print off another poster to fill in. Happy reading!

Add the  
name and  
author of  
each book you  
read to the  
spines

Stick me on  
your wall or  
fridge!
