

Welcome to

MONEYWEEK

Welcome from the Editor

Firstly, welcome to *MoneyWeek*!

Our aim is to help you to understand and navigate the financial environment, to arm you with the information you need to identify and take advantage of opportunities, while avoiding the pitfalls.

Every week you will receive a copy of *MoneyWeek* brimming with exclusive content, along with the very best economic analysis and investment insights.

We hope you enjoy your subscription as much as we enjoy putting the stories and analysis together each week.

Wishing you a profitable year ahead.

Andrew Van Sickle,
Editor, *MoneyWeek*

Popular sections of the magazine

Subscribing to *MoneyWeek* is an investment that you can profit from week after week. Here's a quick overview of what you can expect in every issue.

Markets – weekly coverage of the biggest stories moving global financial markets

Shares – a weekly roundup of the most useful share tips in the business pages

Analysis – a deep dive into the latest trends and what they mean for your money

Politics & economics – an overview of the global political stories with the biggest economic impact

Pensions – all the latest news and rule changes that will affect your retirement nest-egg

Housing – regular analysis of what's happening to house prices, both in the UK and around the globe

A bit about us...

Established in November 2000, with a wide range of financial professionals who write regularly for us - no matter your financial ambitions, we provide you with a roundup of the most important financial stories, and practical investment advice to help you make money.

Reviews

I LIKE IT ALOT ★★★★★

This is a very informative and useful magazine if you are interested in investments and also world news which impacts investing. I have received it weekly for many years and thoroughly enjoy reading it. A good range of article authors with frequent interesting guests and guest articles. Keep up the good work.

- Mr M Heelis, subscriber

MONEY WELL SPENT ★★★★★

I love the irreverent anti-establishment views. It's well written and produced and arrives on time. Full of thought provoking ideas. Gives you the confidence to invest for yourself.

- Mr J Tidmarsh, subscriber

MoneyWeek is here for every investor

As an investor you will find your focus pulled in many directions, depending on the time you can give and how your investments are performing. Wherever your focus lies, *MoneyWeek* is here to help you grow your wealth.

You may wish to maintain the robust investment strategy you have developed, or be looking for future growth opportunities in young or emerging markets. Whatever challenges you face *MoneyWeek* has an accessible way for you to read the latest investment news, designed to easily fit into your life.

Print Magazine

You know your markets. You have your preferred investments but you need to keep on top of the political and economical changes, be they positive or negative, that will affect your investments. Our print magazine can help you. Every week we cover the biggest stories in the financial markets and deftly theorise the effects political factors will have further down the line for your investments. From shares, to personal finance, to the best of the financial columnists and blogs, you will find a unique collaboration of fact and opinion on the future of the financial landscape.

MoneyWeek Digital

If you're an investor who is constantly on the move, you might have signed up to receive your magazine digitally every Friday.
